Petoskey Marina Reservation Policies

VHF Radio Channel – Haling channel 16/Working Channel 68. Please contact the Petoskey Marina on channel 16 before occupying a slip.

Late Arrivals – Confirmed reservations will be held until 5 P.M. on the date of arrival. If a boater will be arriving after 5 P.M., the boater **MUST** contact the harbormaster to notify staff of late arrival. If late, and you fail to call, the reservation will be no showed, resulting in forfeiture of the total amount.

Late Arrivals – You may contact the harbormaster at 231-347-6691.

Vessels Exceeding Posted Averages – Vessels over 60' L.O.A., or if your vessel's dimensions (IE beam, draft, length) exceed the posted average measurement, please call 231-347-6691 to verify staff can accommodate your vessel.

Late Season – Weather conditions in September may be rougher than expected, please call 231-347-6691 for the latest marine forecast.

Slip Assignments – Slip assignments will be at the sole and exclusive direction of the Marina staff. Vessels may not occupy a slip without permission. The Marina is a harbor of refuge. In order to accommodate as many vessels as possible, rafting and doubling up of overflow vessels is permitted. Rafting and doubling up may block other vessels in their slips during their stay, including vessels with reservations.

Length of Stay – During peak season, vessels must vacate the harbor for two days between stays. Maximum length of stay is 14 days depending on availability.

Check Out – Check out is 1:00 P.M. Vessels wishing to extend their reservation should notify staff by 9:00 A.M. Vessels arriving prior to check out time may not be able to occupy a slip until departing vessel checks out at 1:00 P.M.

Extensions – Vessels that wish to extend their stay beyond the original departure date are not guaranteed a slip. Rafting may be the only option depending on availability. When transient traffic is heavy, vessels wishing to extend may be placed on a wait/move list for a potential slip.

Groups – Vessels traveling in groups are not guaranteed slips in close proximity.

Please call 231-347-6691 or visit the Marina Office for reservation details and additional policies.
